President's Message

Dear UAAD Members,

February can be such a dreary month - we've made it through the holidays; resolutions that made January exciting are either being abandoned or becoming more of a chore; the lack of sunshine is making us SAD. One bright spot in the month is that UAAD honors 2 people each year at the February Founder's Day Celebration. Our committee members have been working hard to organize a wonderful meal for us and to review candidates that truly represent the best in the Floyd S. Oldt and Carl A. Donaldson award categories. All of the nominees this year are fantastic persons who are mentors to us!

Persons who exhibit characteristics that I hope to obtain as I evolve. We are also honored at this month's meeting by our speaker, Chancellor Harvey Perlman. His vision for UNL has guided us through some tough times since July 2000 when he was first appointed interim chancellor. Now, we face some exciting challenges for our future! Please join us for this meeting on February 26, 2008. Advance reservations are required - see the flyer in this update!

You will be receiving a member interest survey shortly. Please fill it out and return it. We need your help to guide and direct this organization. You know you have skills we need!! If you need to review the officer or committee duties, please check out the information on our web site. (<http://uaad.unl.edu>)

Stay warm. Get some sunshine when you can. See you on the 26th!
